NEWS OF ALL THE WORLD BRIEFLY TOLD

HIGH GALE NO BAR TO FLYING MACHINE

Sails Against a Twenty-one Mile Wind.

KITTY HAWK, N. C., Dec. 19-The highly successful flights made by Or-ville and Wilbur Wright Thursday in their new flying machine were made in the face of a wind blowing at the rate of twenty-one miles an hour.

ments was a sand hill known as "Kill Devil Hill" which is more than one hundred feet high and is probably the bighest sand dune on the Atlantic Coast. On one side the hill slopes gradually to the summit, while on the other it is almost perpendicular.

The "flyer" was carried to the top of this hill, and Wilbur Wright took the this hill, and Wilbur Wright took the sued for that number, but when the operator's place, lying down at full livery drivers walked out the hearses length in order to reduce the resistance were strike bound.

Assistance was offered, but it was to the sexton of the cemetery early yeslight of the cemetery early yeslight of the cemetery early yeslight of the sexton of the cemetery early yeslight of the cemeters was offered, but it was the cemeter was offered, but it was the cemeter was offered by the cemeter was offe to the wind. No launching apparatus was provided. When everything was ready Orville Wright gave the machine a push, the engine was started, and the 'flyer' started down the incline

creased its revoluitions the machine rose height of about sixty feet. Then, prowas sent ahead in the face of the wind, and the operator was able to direct its

Maintaining a speed of about eight miles an hour, the machine was driven for about three miles. Then the opera-tor selected a suitable spot on which to land, steered the machine to it and least difficulty and without straining

The members of the Labor party are mainly protectionists. They aim to increase the tariffs against foreigners, but at the same time they do not favor a reduction in favor of Great Britain.

GREAT STEEL PLANT PLANNED BY PENNSY

ALTOONA, Pa., Dec. 19 .- Officials of the Pennsylvania Railroad Company have under consideration a project for the erection of a plant for the manu-facture of structural steel in this city, near an immense foundry now building. The plant, it is said, will be an exter concern, completely equipped, and employ fully 2,000 men. At this works it is declared to be the intention to manufacture the structural steel for the river tunnels in New York. This undertaking alone will keep the plant en-gaged for several years.

PRISONER THREE YEARS ON STEAMER, HE SAYS

TACOMA, Wash., Dec. 19. - Ernest Fredericks, who last night applied for lodging at the Everett police station. says he has been a prisoner on board a strange ship for the last three years. He says the last three years. He says the last thing he remembers about his home in Milwaukee is that he FATHER ALOYSIUS CURIOZ was walking along the street one ever ing in September, 1900. The next thing he remembered he was on board ship. He thinks he was shanghaied. Fredericks says that he was kept below deck, and that he waited on officers who spoke English. The members of the crew were all Chinese. He could never learn the name of the ship or the business in which she engaged.

SENTENCED FOR USING MAILS TO DEFRAUD

CHICAGO, Dec. 18.-In the Federal court Judge Humphrey sentenced Wil-bur Leach to six months in jail and a fine of \$500. The charge was defrauding women through the mails. Under the

feel so good."

VISION FORETELLS

Daughter's Body Would Be Stolen, and It Was.

INDIANAPOLIS, Ind., Dec. 19.-The ourners forced to ride in street cars presentiment of a father that the grave walk to cemeteries, society compelled of his child would be robbed was fulto abandon carriage rides to social func-tions, horses starved by a union siege to a chase over country roads for a dis-of barns—such is the condition into tance of three miles, when the body was Doctors differed about the cause of death, and this made the father appre hensive that the body might be stoler

at once and stand guard over the grave. The sexton proceeded to the ceme-tery, and just as he approached that part where the child had been buried he saw two men getting into a spring drive away. They whipped their horse and started down the road. Davis gave pursuit, but stopped at a farmhouse ong enough to arouse the farmer and farmer and two sons were quickly on the road and were close upon the ghouls, when the latter threw the body from BERLIN. Dec. 19.—Three years of the wagon and drove away. The farmed and his sons then stopped the chase Armed men are now on guard at the

Rule of Conclave to Be Changed So as to Make Veto Inefficacious.

ROME, Dec. 19.—It is reported that Pope Plus X has consulted with the cardinals and with the heads of three orders in the Sacred College over the form of the will which his holiness

It is also reported that his boliness will issue a bull changing a rule of the conclave of cardinals called to select a Pope, which will render inefficacion a veto from any Catholic power against candidates for the papacy.

BERLIN EXCITED OVER COUNTESS' DIVORCE

the case.

Lieut. Bronsart von Schellendorf, a no-bleman, and a nephew of a former minister of war, in German East Africa, where he commanded one of the German stations. Various rumors regarding the marital affairs of the souple of the more wary backers of the sport, the latter point. From there they will supply electricity to Hammonton, have been in circulation, but the countess has said, according to the "Tageblatt," that the marriage was dissolved a ticket at the box office. He was followed by another hoarse person in hayhusband's infidelity.

CARDINAL GOTTI HAD POPE LEO'S TREASURE

Solved-Money Handed Over

ROME, Dec. 19.—According to the "Tribura" the Vatican had sudden wealth poured into its coffers yester-

For some time certain sums which were known to be possessed by Pope which Chicago is plunged by a strike recovered from the ghouls, who had Leo were looked for without result, the which Chicago is plunged by a strike recovered from the gnous, who had be of 1,600 livery drivers, which has tied up the undertaking and livery business of the entire city. To make the situation more severe the 400 employers ordered a lockout, which went into effect simulsecretaries, drove up to the Vatican yesterday and, getting out of the carriage hurriedly, began tugging at a heavy object in the vehicle.

the mysterious object to the apart-ments of Pope Pius. They were immediately admitted, and remained for two

Intense curiosity was aroused by this ict, as it was believed to have some wagon that stood by the roadside. He hastened to the disturbed grave and called to the men, who were about to wildest rumors were circulated. When Cardinal Gotti entered the

presence of the Pope he sank to his knees and, pointing to his burden, said:
"Your holiness, the lamented Leo,
just before his death, confided to me the money which I now lay at your feet, saying that if I succeeded him I was to use it as I thought best, but that if another took his place I was to turn the money over to him after a period of four months had elapsed. This I now do in the presence of Mgr. Marzolini, who has been the only other person to share the secret.' The bag contained 45,000,000f (\$9,000,000)

in bank notes. It seems, however, that it never rains but it pours, for the "Tribuna" goes on apartments, an electrician, while re-moving the hangings in the late Pope's chamber in order to get at the electric light wires, found in a hole in the wall several bags which were carelessly tied. These bags, when opened, were found to contain 9,250,000 (\$1,850,000) in gold.

Hidden by Whiskers They Watched McKeesport's Leading Men at the Ringside.

McKEESPORT, Pa., Dec. 19.-Conster nation has seized many business and greatly excited over the divorce of professional men of this city as the re-Countess Isabella Bronsart von Schell-sult of the discovery that several clevendorf (nee Adams), an American, who will arrive on the Hamburg-American Line steamer Blucher next week. Nothing concerning the affair appeared in

church committees against the granting of a permit to the club. When the petimade that trouble would be made for the fight promoters and their patrons.

These hoarse requests were made at intervals in the rush for tickets and ultimate recovery.
were spoken always by densely whis-"Sports from up the crick, I guess," said the chuckling manager. It develops that behind the whiskers It develops that behind the whiskers ever, and has improved to such an ex-were shocked ministerial faces. A list of tent that he is now walking about. The that this, with complete accounts of the night's proceedings, will be announced as the result of the accident, is now next Sunday from the pulpits of Mc-Keesport's principal churches.

Pending Bill.

Orville and Wilbur Wright's Airship Chicago Livery Drivers Allow No Father Has Presentiment That His Mystery of Missing Millions Is at Last COUPLES TO BE INSTRUCTED

Drastic Law Justifiable Since Other Means to Repress Crime and Imbecility Have Failed.

DES MOINES, Iowa, Dec. 19 .- There will be submitted to the Legislature next month an amendment to the Iowa marriage law proposed by the Society for the Suppression of Disease and Degeneracy. The bill, as prepared, procense until each party to it shall have produced the certificate of a reputable physician that he has instructed then relation they are about to assume

The amendment is worded as follows: "Whenever applications are made to the clerk of a district court for license to marry, said applicants shall provide said clerk with a certificate from a reputable medical practitioner, vouching that said applicants have been under instruction regarding the duties pertaining to the marriage rela-

A Supplementary Bill.

The society has also served notice that it will submit a supplementary bill to carry the foregoing into effect. A similar measure was offered at the last general assembly two years ago, but never came to a vote. It had many supporters, however, and was espe-cially championed by the physicians who were members of the Legislature. Some of the best-known physicians of the State and several members of the faculty of the State university are active in the organization which backing the proposed statute.

C. J. Bayer, of Grinnell, who has writthe official representative of the society, to relate that just about the time this scene was being enacted in the Papal bers of the Legislature and to every State officer in behalf of his bill. He

said this evening: "Investigation in the course of the past decade has disclosed the cause of many degenerate organisms, and it is readily explainable to every candidate for matrimony, and likewise preventible It is evident to every intelligent observe that measures should be quickly adopted to prevent the widespread and increase ing crime and degeneracy.

Crime and Imbecility.

"The overcrowded condition of State prisons and imbecile and insane asy lums and other reformatory penal and charitable institutions point significantly to the fact that it is high time to begin the work outlined in the bill propose by our society.
"The medical men and other scien

tists in our society are profoundly im-pressed with the idea that, as all other eans of repressing degeneracy have failed, the extreme course of restricting marriages and the instruction of prospective parents a st be adopted.

"There is a false modesty that causes

the average couple to shrink from the discussion of such subjects during the period of their engagement, and there-fore the law should step in. If they are the German newspapers until yesterday. Protests had been made to Mayor found upon medical examination or up when the "Tageblata" stated the facts of Falkenstein by several pastors and mutual consideration of their physic condition to be unfitted for the grave step they are about to take, it is far better they should be checked before it is too late, and not wait until the terrible penalty of the mistake has been visited upon innocent offspring."
